

Individual Education Plan (IEP) Disclaimer Form

Student Name: _____

Date: Sept 15/09

School: _____

Section 2.3 of the School Act (British Columbia) states that "a board must ensure that any class in any school in its school district does not have more than 3 students with an individual education plan unless

- a) *In the opinions of the Superintendent of Schools for the school district and the principal of the school, the organization of the class is appropriate for student learning, and*
- b) *The principal of the school has consulted with the teacher of that class."*

The classroom this student has been placed in has 25 students, 4 with an Individual Education Plan (IEP).

Although efforts to accommodate these students' specified needs are being made, the number of students working on IEP's currently exceeds the maximum appropriate for student learning.

Therefore at this time I am unable to guarantee that the goals and the objectives of this IEP will be met as they are written. I acknowledge that I have been consulted and will continue to work towards the best educational situation possible for this student.

Sincerely,

(Teacher)
